Diner's Review

Avg Rating: 5.0 out of 5 stars Number of Reviews: 1

A diner from Milwaukee, WI gave an overall rating of 5.0 out of 5 stars

Danny's Diner is for sure a stop everyone should make! This is a cozy family owned family style diner and they go out of their way for customers. Plus, kids will love their kids meal which comes in a classic car that kids get to take home! And while you're there- don't forget to try a shake / malt- these are the best you'll find in the Dells and much of Wisconsin! Danny's Diner is a stop I have made for the past 10 years while my family and I have been in the dells and we've never had anything to complain about. By far, the best stop in Wisconsin Dells.

Gosh, it took me a long time to write this..... my girlfriend and I brought our daughters up there in early April and we came to eat at your restaurant every night, all of us loved it so much! The food, the atmosphere, the service, the prices, it was everything anyone could ask for! We are looking to come up again in the spring, and the first thing out of my daughter's mouth was "Can we please go eat at the 'Cars Restaurant' every day again?" You certainly made an impression! We can't wait to come again in the spring! Thank you so much for everything! - A.T., Chicago-November 2007
And... when we asked her if we could use her comments, Yes, you most certainly can!! Your restaurant is most certainly a must on our trips going forward! I'm considering in the spring staying at Great Wolf just to be closer to you! ;-)

Just wanted to thank you for your outstanding customer service at Danny's Diner. You are such a pleasure to do business with. I can honestly say when planning our trip to the Dells that you were the most accommodating company we worked with. For two years in a row now, your friendly staff and excellent food have been a highlight of our trip! We especially loved the breakfast. Thanks again for being so easy to do business with and helpful - we appreciate your flexibility.

My husband and I just returned home from our trip to the Dells and I wanted to take a minute to tell you how much we enjoyed eating at your restaurant. We had a taste for a good burger and sadly it looked like we were going to have to settle for McDonald's or Burger King, but then we saw your place.

We have eaten at many places in the Dells but I have to say we have enjoyed none more than your's. We loved the diner appearance and the classic car theme. The place was shiny and spotless and the staff more than congenial and attentive. My husband had the Monster Truck Burger with the homemade potato chips and I had the Classic Cheeseburger with potato wedges and chocolate malt. We received this delicious food in record time and enjoyed it immensely! We have found a new favorite in the Dells and we will be back. **THANKS**

I wanted to thank you again for all of your help this past weekend. Our "Getaway" event was a huge success and you guys were so accommodating. Everyone raved about the food, and everything in our order was so organized that it made the distribution easy! Please tell your delivery person, that we really appreciated her help (she was great)!!! Thanks again, we will see you next year! – *T.H., St. Charles, IL, November 2006*

Just an excellent place to eat. Service very good! – *J.L., Cazenovia, WI, August 2006*

(1) April 6, 2006 – "Excellent all around. The fried chicken is excellent and melts in your mouth. So far, Danny's 90-94 Grill & Pizza is the best place to eat in Lake Delton!"

(2) February 10, 2006 – "You've got to try this place! What a great find! Every time we have visited, the place was spotless, the service was wonderful and the food was delicious and reasonably priced. It is on the top of our list for breakfast buffets at the Dells. Ordering off the menu is just as great. They have everything from pizza to milkshakes. We absolutely will eat at least one meal at Danny's 90-94 Grill & Pizza every time we visit the Dells. One note – it is located at the same exit as Denny's (Exit 92), which can be confusing, so watch for the "a" in the sign!" – *A Trip Advisor Member, Watertown, WI*

What a great place! We loved it so much the first time that we returned 2 days later for their breakfast buffet. My family of 4 ate dinner here for just under \$40 and that included that appetizer combo which was HUGE! My son ordered a kids meal with grilled cheese (that was almost as good as Moms were) and got to pick the little cardboard car that it came in. My daughter devoured her individual sausage pizza. I had the BLT and my husband a custom burger. Everything was so yummy and the waitress was just adorable. We were still stuffed the next morning! We went for the breakfast buffet on Friday morning before heading out of town and were pleasantly surprised. Everything from fresh fruit to biscuits & gravy. The made to order waffles & pancakes were so good! We all ate to our hearts content for \$28 and we were so stuffed that we didn't eat again until late Friday night after driving home & unpacking everything! Cannot wait to return to the Dells just so we can eat here again!

This was a very enjoyable dining experience. The place was very clean and appealing to your eye. Your buffet was exceptional! This will be the place we stop every time our family is visiting the Dells area. Thank you. *The Weirs, August 2005*

We just returned from the Dells and I wanted to let you know Danny's 90-94 Grill & Pizza was the best food my whole family has enjoyed in a long time. We were going to try eating some place new every day, but ended up at Danny's 90-94 Grill & Pizza each time. The help was good and the food was great. Thanks.

My wife and I have been to the Dells for some 10 + years. We first went to Danny's 4 yrs, ago. To this day Danny's is the place we go for our Breakfast. I cannot tell you how impressed I was, on how the Buffet was laid out, and stocked with cold fruits, wonderfully displayed. Hot bar, with not only chip beef but also country gravy. As a Marine, you have no idea how much you have made a place I know I Will always come to when my family and I come to the Dells. We also really liked the new addition you put on. Having said all this, I think I would be remise if I did not give Danny's an 11 on a scale of 1 thru 10. Your Diner is spotless. From the time I first ate there to the present. You have done an outstanding job. You sir, deserve to have these words said about you and your staff. I thank you very much. – *Steve Dugan, Yorkville, IL, July 2005*

Had a great time here. The food was great and our server was very charming and knowledgeable. , *Joe & Jean, Stone Park, IL, July 2005*

Danny's 90-94 Grill & Pizza has the best 2nd day pizza I have ever had. They have such affordable prices that my husband and I usually get a large and eat the leftovers the next day. I have never been able to eat leftover pizza before. It always tasted more like cardboard than pizza to me. But not Danny's hand tossed. I actually look forward to leftovers when I know it is from Danny's 90-94 Grill & Pizza! I do not know what they do differently than other pizza places, but this is one local that will be a customer for life! Thanks Danny!, *Maria, Wisconsin Dells, July 2005.*

The onion rings were awesome. I could have had a whole meal just with them. All of the food was awesome. The friendly service will make us come back next year. Alex Alt and L. Alt adds...OMG the cherry dessert pizza is the best! Almost as good as Mom's cherry pie! Thanks so much. June 2005

A must do while in the Dells. Best family restaurant in town. Great food & service. M. Hunt, New Berlin, WI, June 2005

We would like to thank you for your generosity and tell you how much we enjoyed the wonderful hospitality. Needless to say, the stressors of family life while our loved ones are gone have been great. We have come to appreciate community support when it is offered and are grateful when provided. Thanks for helping us with our PT Cruiser Club event. Personally, I'm glad I learned about your breakfast buffet. It is a good selection of items and the price is right. I know others enjoyed it as well. My wife and I enjoyed your pizza Friday night too. , Randy Geipel, PT Cruiser Club of Wis. Director, October 24, 2004

On Saturday, October 9, 2004, my family came to your Diner for lunch. We were all very impressed with the overall atmosphere and cleanliness of your restaurant. We will definitely eat at your restaurant again when we visit the Dells. , Matthew T. Litchfield, Westmont, IL, October 17, 2004

I went to a 50's diner in New York City and it didn't even begin to compare with the quality of food, service and price that we were privileged to experience at Danny's Diner in the Wisconsin Dells. **Fabulous**, Bev Welton, Willmar, MN, September 13, 2004

Great party! My mom's surprise 80th birthday party at Danny's Diner was a wonderful, memorable day for her as well as her 46 guests. Because the party needed to be planned from 100 miles away, I anticipated a difficult experience. However, Dan was very easy to work with. He responded promptly to e-mails, offered suggestions, and he and his staff were very pleasant and accommodating. The fresh, tasty food was abundant and very well prepared. It makes me want to eat there whenever I'm in the Dells area. – CB, Hartford, WI, April 26, 2003
